Weekly Meal Prep Guide

- Batch cook sambar/dal. - Boil eggs. - Prepare batter. - Wash and chop vegetables. - Portion fruits.
- Keep curd ready. - Store cooked legumes for sundal and snacks.

Mindful Eating Reminders

Eat slowly. Pause midway. Avoid eating while working. Use hunger/fullness cues. Prefer whole fruits over juice.

Nutrition Note: Protein needs are approximate and may vary with activity level, health status, dietary requirements and individual goals. This is general nutrition guidance and not a substitute for individualized advice from a qualified dietitian or healthcare professional.
